Data Open House Presentations Now Online

Thanks to everyone who attended CAMConnect's 3rd annual Camden Data Open House last Friday at Rutgers-Camden.

Links to presentations by CAMConnect "Poorest City in America?" and Housing and Community Development Network of New Jersey "Cities in Transition" are now available online.

CAMConnect Posts COO Reports

As part of its ongoing goal of maintaining a public document library, CAMConnect has created a webpage with reports and correspondence relating to Camden Chief Operating Officer Randy Primas.

These reports include the recent four-year progress report on Municipal Rehabilitation and Economic Recovery in Camden, released on Monday, December 4. Other documents on this webpage include the State of the City address by Mr. Primas and correspondence from the Department of Community Affairs.
